## WORK EXPERIENCE

### **Hit It Studios – Freelance Website, Graphic and Animation Designer (December 2002 – Present Day).**

This involved the designing, building, uploading and amending of websites on the Internet. I am responsible also for all animation, 3D design, video special effects and video streaming/compression.

The position requires competent skills in (X)HTML, Dreamweaver CS3, Flash CS3, Flash Actionscript, Fireworks MX 2004, Maya 8.5, Apple Shake 4, Apple Motion 2, Final Cut Pro 5, Realflow 3, Sorenson Squeeze 4, and Reason 3.

### **360 Design Studios – Chief Website Designer / Special Effects Editor (December 2007 – March 2008).**

This primarily involves the designing, building, uploading and amending of websites on the Internet. I am responsible for managing all projects and organising all team members within the individual areas both on-site and overseas. I am responsible for all animation, 3D design, video special effects and video streaming/compression.

The position required competent skills in (X)HTML, Dreamweaver CS3, Flash CS3, Flash Actionscript, Fireworks MX 2004, Maya 8.5, Apple Shake 4, Apple Motion 2, Final Cut Pro 5, Realflow 3, Sorenson Squeeze 4, and Reason 3.

### **SunBlade Studios – Website Designer & Animator (August 2007 – December 2007).**

This involves the designing, building, uploading and amending of websites on the Internet. I am responsible for managing all projects, organising all subcontractors, running all client liaisons, in addition to taking care of company financial affairs and administration duties. Furthermore, I am responsible for all animation, 3D design, video special effects and video streaming, including video compression.

The position required competent skills in (X)HTML, Dreamweaver CS3, Flash CS3, Flash Actionscript, Fireworks MX 2004, Maya 8.5, Apple Shake 4, Apple Motion 2, Final Cut Pro 5, Realflow 3, Sorenson Squeeze 4, and Reason 3.

### **360 Scenes – Chief Website Designer / Special Effects Editor (December 2003 – December 2007).**

This primarily involved the designing, building, uploading and amending of websites on the Internet. I was also responsible for managing all projects and organising all team members within the individual areas both on-site and overseas. In addition, I was responsible for all animation, 3D design, video special effects and video streaming/compression that was required on a weekly and sometimes daily basis. This included the creation of TV commercials and webmercials.

The position required competent skills in (X)HTML, Dreamweaver CS3, Flash CS3, Flash Actionscript, Fireworks MX 2004, Maya 8.5, Apple Shake 4, Apple Motion 2, Final Cut Pro 5, Realflow 3, Sorenson Squeeze 4, and Reason 3.

### **Wakefield Local Education Authority - Supply Teacher (January 2002 – May 2002).**

This involved full responsibility of various classes at both Key Stage 1 and Key Stage 2 in all National Curriculum subjects.

### **St Thomas' CE Junior School - Year Four Class Teacher (September 2001 – January 2002).**

This involves full responsibility for a year four class, including planning, teaching and assessing all National Curriculum subjects.

### **St Helen's CE Primary School - Year Four Class Teacher (September 2000 - August 2001).**

This involved full responsibility for a year four class, including planning, teaching and assessing all National Curriculum subjects.

### **Camp Beaumont - Group Leader (June 1997 - August 1997).**

This entailed full responsibility for a group of foreign children, encompassing the organisation and coaching of sports activities.

### **Morton Comprehensive School – Drum/Percussion Teacher (September 1992 - July 1996).**

This involved the planning and teaching of percussion instruments to grouped and individual children. Assessments were also made.
